

Krungsri supports Care the Wild “Plant & Protect” project in reducing emissions

September 18, 2020 - Mr. Pairote Cheunkrut, Chief Strategy Officer, Bank of Ayudhya PCL participated in the press conference held by the Stock Exchange of Thailand on the Care the Wild “Plant & Protect” project, a collaboration platform for sustainable environmental conservation and reforestation.

On this occasion, Dr. Pakorn Peetathawatchai, President of the Stock Exchange of Thailand, expressed appreciation and presented a recognition plaque to Krungsri for the Bank’s contribution in sponsoring 10-rai reforestation in the Baan Khao Hua Kon community forest, Ratchaburi Province, to ensure sustainable ecosystem management, which is expected to reduce greenhouse gas emissions by 18,000 kilograms of carbon dioxide equivalents per year. Also at the event, Mr. Pairote was congratulated by Mr. Attapol Charoenchansa, Director-General of the Royal Forest Department (RFD).
